

## RE-IMAGINE 2020

Make It Your Best Year by Deciding/Believing/Acting On Your Goals

Answer the questions below

---

1. **Step back from it all and reevaluate** - When and how can I step away from my work to rethink how I am currently operating, to find alternatives?
2. **Organize your projects - What are you working on?** List everything, and tag each project as priority 1, 2, 3, future or no-go.
3. **Prioritize one thing at a time** - What is most important now and why?
4. **Align with your bigger vision** - How does my vision relate to my projects, Am I aligned, or not? **If you have not specifically created a vision, stop here and create one before doing anything else.**

**5. Know your why** - What is the most profound reason that I am working toward this vision? Why and for whom do I want to succeed?

**6. Be your own disruptor** - Is there another way? Is there a route to what I want that is outside of my perspective? How can I find it?

**7. Believe in what you do** - How much do I believe in my vision and in my own ability to create and deliver the product or services that enable the vision to be realized? What identity do I need to assume?

**8. Add achievement tools** - What tools will help me to achieve my goals?

**9. Celebrate the wins** - How will I celebrate my small (or large) victories along the way?

**10. Be accountable** - To whom and how will I hold myself accountable?
